PRESIDENT GARFIELD,

Despite the Slight Increase of Fever Reported Yesterday Afternoon, Enjoyed a Good Night's Sleep.

Corkhill Does Not, Forget to Let Folks Know He is Still on Deck-Financial Notes.

Washington, July 18.—Secretary Windom has gone to Deer Park to remain a few days.

Another Book from Mr. Stephens. Information received here is to the effect that Representative Stephens, of Georgia, is writing another book. Its subject, it is un-derstood, will be the treatment of events of national importance since the war. Financial Notes.

The Treasury Department to-day ordered : transfer of \$5,707,466 in gold bullion to be coined into eagles and half eagles. This makes about \$10,000,000 in bullion similarly transferred during the present mouth. The Secretary of the Treasury has directed the redemption of the coupon five per cent bonds embraced in the one hundred and third call now outstanding with interest to

the date of their presentation. Corkbill Again. In the Criminal Court, to-day, Unite

States District Attorney Corkhill stated that the grand jury had been held in session since the date of the attempted assassination of President Garfield, yet be could not at this

up to the present time he has done exceed-ingly well for one who has received so dangerous a wound, but while in anticipated

recovery, it is not yet possible to assert with confidence that his injuries may not termitorney said that he could not present the case to the grand jury for the present, and suggested that they be permitted to take a recess until September 12th, which was ac-cordingly ordered by Judge Wylie.

The President's Condition. The annexed unofficial bulletin was issue children, and the mortality among them | ing fever was a little more strongly marked to-night than last hight, the pulse showing an increase of four beats, the temperature rise of five-tenths and respiration a sligh corresponding acceleration, as compared with the maximum of yesterday. In any other patient this trifling increase in the intensity of the fever would be regarded as a natural fluctuation and would not excite any special remark; but the President's symptoms are so closely watched from day to day, and almost from hour to hour by the whole country, that an unfavorable change,

however slight, seems to have a greater significance than really attaches to it, and is liable, in the absence of explanation, to cause ason is a very open one there, as open as in apprehension. It is proper therefore to say 567. This is favorable for the five vessels by way of comment on to-night's official bul 367. This is favorable for the five vessels by way of comment on to-night's official bullation at are in those seas searching for the Jean letin, that the facts therein stated give no Carrollton Saturday to agree upon the means in the station of St. Zooh. The entire stated There is a slight increase in the fever, but i arises from known causes, and is undoubt-edly transient in its character. The reasons during the past three days, and more especially to-day, has taken largely increased quanwhen in any way overtaxed by symptoms of this gastric trouble is thought to have been of the barber. He expressed a desire to have his beard and hair trimmed and his

pleasurab'e, the results wer over-fatigue and increased feverishnes Aside, however, from the transient rise is the pulse and temperature, the President' symptoms continue to be favorable. Dr. Bliss, upon being asked at 10:30 to-night onsehold, were present at his deathbed. Be remained for some time in an unconscious condition. The News says that no living dine will be more deeply regretted or more idely missed than is Dean Stanley.

The Appeal is satisfied that injustice has the condition of the property of the pro with regard to the wound, Dr. Bliss said:
"The process of suppuration is going on satisfactorily, and the track of the ball is slowly being cleared by the discharge. In dressing the wound to-night a flexible drain age tube, without the exertion of the least eady listeners to their side of the story in cavity of the body at all. Our experience with the drainage-tube to-night confirms our previously-expressed opinion that the bal did enter the abdominal cavity and pierced
